#### Income Level Fees

\$100,000/year — \$2,000/month

\$90-100,000/year — \$1,800/month

\$70-90,000/year — \$1,400/month

\$60-70,000/year — \$1,200/month

\$50-60,000/year — \$1,000/month

\$40-50,000/year — \$800/month

\$30-40,000/year — \$600/month

Full cost of treatment is a minimum of \$1,740 per month including 16 or more 20 minute sessions and four or more parent guidance 45 minute sessions/month four or more 45 minute parent sessions per month. We reserve the right to suspend or terminate treatments of children whose parent(s) or guardians do not attend parent sessions. These are necessary in Reflective Network Therapy.

Insurance may apply to the full cost of treatment. We will assist you in completing paperwork but rely on the family if insurance does not fully cover the full cost of payment. Checks are payable to CPHC. Fees and terms subject to change. Families who are on Medi-Cal are not expected to pay for any part of the treatment.
